

Dear Ms. Fisk,

I am happy to share with you and the golf players the heartwarming experience Mrs. Brown and I had last June at the Goose Creek. Mrs. Brown and I would first like to thank you for once again extending an invitation for us to join you this fall for the second fund raising event to support the Westlawn Elementary School community.

We would also like to take this opportunity to thank you for the \$300 which your dedicated team generously raised and donated to our school last June. Your kind donation was added to our school activity funds to address current school financial deficits. In previous years, these funds have been allocated toward the purchase of backpacks, school supplies, clothing items, emergency medicine for needy students, and field trips expenses , for example. This year your generous donation contributed to the vital purchase of 400 rain ponchos for our 4<sup>th</sup>-6<sup>th</sup> grade students in order to protect them from the rain during our ongoing school reconstruction project resulting in upper level students being assigned to trailers located a distance from the main building. The students are expected to walk into the main school building for their breakfast, lunch and use of bathrooms. Having rain ponchos available for the students to keep them dry and healthy is very important to us and their families .

We are grateful for your support and participation in making Westlawn Elementary, a community-oriented school that encourages a sensitive and cooperative spirit. Please share with your generous team this letter along with the humble gratitude from our entire Westlawn community.

Chris Kyrgos ,Counselor

Westlawn Elementary School
